# KLAR

STUDIO | WINDOWS+DOORS

KLAR'S-86 is a high performance product that meets diverse needs of its users. The design of its profiles comes in 3 variants, depending on the requirements for thermal energy savings: ST, SI & AERO, it is the first aluminum system to employ silica aerogel. Version with concealed sash (KLAR'S-86US) is also available.

KLAR'S-86 is characterized by high thermal insulation and durability with the possibility of making windows of large dimensions and weight.
