

KLAR C4600

LIFT & SLIDE DOOR

KLAR

STUDIO | WINDOWS + DOORS

A new lift and slide door system that exhibits the best thermal insulation in all the sliding range with unbeatable transmission values from 0.16.

The possibility of large sash dimensions makes this system ideal for enclosing large spaces and guaranteeing internal luminosity without foregoing the maximum thermal and acoustic performances.

It offers a modern design with a straight style both in sashes and beads.
