

KLAR STEEL LINE OTTOSTUMM W40

KLAR

STUDIO | WINDOWS+DOORS

The W40 suite proposed by KLAR is not only used in the field of restoration, but it's also highly acclaimed in contemporary architecture for its elegant and compact sightlines, ensuring safety and comfort thanks to its excellent thermal and acoustic performance. Despite the depth of this system is 42 respectively 47 mm, it is considered "heavy duty". This allows making large window and door constructions.
